The 2019 Yardley Car Festival

This event is a family-friendly gathering of people who like cars, like to look at cars, like to talk about cars, drive cars, show cars, work on cars, and talk about their driving and car ownership experiences. They want to know more about the local car clubs that specialize in antiques, classics, muscle cars, upcoming car shows and rallies, and new cars and the latest innovations. Plus, they want to share this experience with their children while they get to know their local police, fire and emergency squads.
